

# FEARLESS

DEEPER STUDY GUIDE | MARCH 22

## Understanding the Person and Power of God in Times of Uncertainty Isaiah 41 | Josh Baer | Sunday, March 22

### 1. A time of praise and reflection

- What are you thankful for today? **or** What can you praise God for in your life right now?
- What is your greatest fear today?
- How much have you thought about God this week?
- How are you doing in relation to fear?

### 2. Biblical Engagement | A Deeper Look at Isaiah 41

- **One person** read Isaiah 41:1-10 out loud with everyone looking a copy of Scripture.
- **Discuss what this passage means based upon the sermon.** Everyone is free to contribute and ask questions!
- Answer the following questions:
  - Why can we trust the promises of God in this uncertain time?
  - How can we obey this command to “not fear”?
  - God doesn’t give answers to our problems. He offers himself as the solution. Why is this so important?
  - The earth is insufficient to measure the power of God. That is an amazing thought! God is making it clear: “I am much greater than your fear.” How can this comfort us today?

### 3. Obedience to God

- The command is “do not fear.” How can we fear less this week? What are some things we can do?
- Who do you know that needs this message?

### 4. Praying Together

- What is an immediate need you have?
- What is an area of weakness, a burden, or a concern that we can pray with you about?
